Hello Club Members,

With summer nearing its end I hope it was an enjoyable one for everyone. We had two car shows, two great picnics, a boat cruise, and a trip to an adult day care center. Many of our members represented us well at many cruise nights, car shows and a trip to Carlisle Pa. As a plus we added several new members to our club the last few months. A pretty full summer in my eyes! For the most part the weather was especially cooperative! As the leaves start changing and our club continues to grow, let's all keep thinking what each of us has to offer to continue to improve our club, and make it the best Corvette Club in WNY. Looking forward to a great fall season!

Happy Cruisin'

Andy Adams

The newsletter that WNYCC puts out each month is a very important part of our club. It was created to inform our membership and the public what activities we attended and what we are planning in the future. It is also a reminder to the membership of our meeting each month and the dates of all the future events we planned.

There should be an article written after each event about what we did and how much fun we had. This would encourage more attendance and new people will want to join our club. Articles could be written on a project you are doing on your Corvette or parts you want to sell. You can also tell the club about an interesting place or event you went in your Corvette.

Another idea would be to tell the club members what you would like to see happen in the club in 2017. If you would like to run for office or board position your article should be put in November Newsletter when the vote will be taken.

Debbie would like to put out a good newsletter. She needs help getting articles of interest to print. I plan to help her by being her coordinator. I will be trying to get articles to her in a timely manner. I will be asking you to write and make sure they get to Debbie on time, so the newsletter will also remind the membership of the next business meeting.

This is your club and everyone should help make WNYCC the best Corvette club in this area by helping out. Remember what you put into this club, you will get out many times more

Pete Ricigliano

2Nd Annual Fall Cruise

The rain or shine event was scheduled for September 10th. The weather report was for it to rain after 4 o'clock. We kept our fingers crossed on that. At 10 o'clock the first of the cars started to pull in to the LT. Matt Urban Post.

The basket raffle was ready to go with its 40 baskets. The hot dogs were on the grill, the 50/50 tickets were ready to be sold. We just needed the cars.

Well, the turnout was not as we expected, but the 43 cars and the owners that were not scared off because of the weather report, had a good time.

Although we wished that we would have filled the parking lot, we did make some money for the club and more importantly the homeless veterans of WNY.

At 4 o'clock the cars pulled out, the show winners with plaques in hand. Oh, and as for the rain. 5 o'clock the skies opened up and it rained for about 35 minutes. But, the cars were on their way home, except for me. I locked my keys in my car.

Bring on next year.

Ken Bushley

On a side note.....Pepe was the winner of the best corvette at the show, voted on by the clients of the adult day care center. You will notice however that he spent the afternoon schmoozing, dancing and we think buying a few votes!!
