President's Letter

Happy New Year Everyone!! Let's hope 2021 will be a good year.

We met with Melissa from West Herr and they will again sponsor our club for 2021. Our All Corvette Show is scheduled later this year with the hope that by August things will get somewhat back to normal. The date that has been scheduled is Wednesday, August 11th, with a rain date of Wednesday, August 18th.

Our Fall Super Cruise will be held at the VFW on Monday, September 13th with a rain date of Tuesday, September 14th. We look forward to making these shows the best we've had so far.

Our general meetings are scheduled to be held at the VFW this year. It was decided it was better to have more room to spread out and socially distance in their hall.

Check your e mails to keep up on any events or changes that have to be made.

We hope to see you all soon. Stay safe and healthy.

Remember,

Fun, Friends and Fiberglass (and food too!)

Randy Crist
President

Note of Appreciation

We just want to thank the club for all of the condolences on the passing of our mom and sister in 2020.

Thanks to many individual members who sent very kind, heartfelt and thoughtful notes.

While not Covid deaths the pandemic certainly touched the way we were able to care for and mourn the loss of our loved ones so it was comforting to have all of your thoughts with us.

Our best wishes to everyone for a 2021 that brings abundant light and hope at the end of our long pandemic winter.

**Corvette Lime Rock Green
Cake Recipe
Presented by
Mike & Mary Ann Kreamer**

This recipe commemorates the first couple years of the C7 (2014-2015) with the very limited Lime Rock Green Metallic paint and Brownstone Suede interior.

It is a pretty simple recipe that usually receives many compliments. Something to enjoy while we all wait out winter.

- *. It is actually easiest to do in a Bundt Cake pan rather than traditional round cake pans.
- *. Top it with some red maraschino cherries to make it a Christmas themed cake.
- *. Once completed this needs to be refrigerated.

Cake Ingredients:

- 1 white cake mix (box)
- 3 eggs
- 1/2 cup pistachio nuts - chopped (or use walnuts)
- 1 cup Wesson oil
- 1 box Pistachio Instant Pudding mix
- 1 cup 7-Up or Sprite

Simply mix all ingredients together, beat at medium for 2 minutes and pour into a Bundt pan. (Spray Pam baking spray on the Bundt pan first so the cake can be taken out easier). Bake at 350 degrees for approx. 50 minutes for a Bundt pan and approx. 35 minutes for 8" round cake pans. Let cool for 10 minutes and turn up-side down to release it from the pan onto your serving plate.

Frosting ingredients:

- 1 box Pistachio Instant Pudding mix
- 2 Dream Whip mixes (2 dry mixes come in a box - found with puddings in the grocery store)
- 1-1/4 cups milk

Simply combine and beat until fluffy peaks form. This should be refrigerated before & after frosting the cake. Frost cake and leave plain or top with crushed pistachios or your favorite decorative topping.

ENJOY!!!!

NCCC Convention in Cleveland, OH - June 13-18 2021

WNYCC NCCC Member

The NCCC Convention in Cleveland will be here before you know it!

Pete is preparing an article about the convention that will shed more light on the "comings and goings" for those of us who have not attended in the past.

Attached please find three links, the first link provided information related to the convention hotel, the second link will be a calendar of events, and the third will be a description of the events.

Bob Metz

National Council of Corvette Clubs' Convention

Pete Ricigliano will be the club's liaison for the National Council of Corvette Clubs Convention in Cleveland. He and his wife, Rosie, have attended approximately 20 of these conventions in the past and will be able to answer most of your questions.

One of the great things about the NCCC Convention is the vast number of events and local sites to see even if you aren't interested in the speed events. Prepare now for completing your on-line registration form by reviewing the events and activities that are available to you. Below is a link that will take you to a listing of these events and activities.

www.corvettesnccc.org/2021Convention/convention2021Schedule.pdf

NOTE: Registration begins on February 1 at 10 a.m.

Register as soon as possible on the National Council of Corvette Clubs link, www.corvettesnccc.org, by clicking on the Conventions tab and completing the registration form along with selecting those events that you wish to participate in. Upon completion of this registration, NCCC will provide you with a number to use to make your hotel reservation at the event hotel.

Please feel free to call me with any questions regarding the convention and let me know if you are planning on attending. If there continues to be a problem with COVID19 they will most likely refund your money as they did last year. Rosie and I are planning on leaving June 11 to settle in early—you are all welcome to join us.

National Council of Corvette Clubs (NCCC) Q & A

Bob Metz - Governor for NCCC

General Waiver and Release Form Information

Q: I am frequently asked to sign a Waiver and Release form. What does this form do for us and why do we have to sign it at every event?

A: The Release and Waiver of Liability is the form that protects NCCC and its member clubs if an injured participant, worker, spectator, or volunteer sues you. All participants, for events requiring waivers, must sign the waiver form. This document must be signed upon entering the event. In this way we have proof the individual entering the event and the person signing the waiver are in fact one and the same. This is also true for the minor waivers. Any other form of signing a waiver document prior to coming to the event, either manually or electronically, is not allowed.

Q: How many different Release Forms are there?

A: There are two types of waivers:

1. Release and Waiver of Liability, Assumption of Risk and Indemnity Agreement for Adults (age 18+).
2. Parental Consent, Release and Waiver of Liability, Assumption of Risk, and Indemnity Agreement/Minor's Assumption of Risk and Release and Waiver of Liability for (less than 18). This has been a two-page form for covering all minor's since 1/1/15. This MUST be countersigned by a Legal Guardian(s) or Parent(s).

Q: When are waivers required?

A: As of 6-30-2020: Until the Covid-19 threat has passed waivers are required for all events, even those activities that until now had not required a signed waiver.

Q: I understand the need for waivers, however, when we have a car show at a dealership or mall parking lot, it is virtually impossible to require all of the general public to sign a waiver. Therefore, is a waiver required at these types of car shows?

A: When an event such as a car show occurs in an open uncontrolled area such as this where the general public spontaneously enters the area for viewing of the cars, they do not have to sign a waiver. However, all of the Sponsor Club(s) members, workers, and all entrants must sign the appropriate waivers to adequately provide the NCCC Insurance coverage for that event.

Q: I usually have my waiver form photo copied. Is this okay to do?

A: Yes. The form may be photocopied or printed directly from the NCCC website. Signing a piece of paper and attaching to the waiver is not allowed. Only copies of current on-line NCCC Website documents will be used.
