President's Letter

Hello Club Members:

As I wrote this month's message, it is hard to believe 2/3 of our summer is gone. I hope everybody has been able to enjoy as much of the nice weather as possible.

If you've been following our club activities, we have been very busy. We had a very good All Corvette Show in June. Members have been going to various car cruises and car shows. We take a break from meetings in July to give members time to enjoy all the summer activities.

The club family picnic is coming up August 13th. Hope to see many members there. It's a great time to relax and visit.

Remember your club is what you help make it and participate in. We will be getting ready for the September 12th car cruise at the VFW Post. We need basket raffle items for this also.

Hope to see many members at the August 20th General Membership meeting.

Until next month, keep the go pedal down and the shiny side up!

C1-C8 – they're all great!
Save the wave!

John Drogi,
President
