Dear Corvette Enthusiast,

Thank you for expressing an interest in the Western New York Corvette Club (WNYCC). We are the oldest Corvette Club in the area. We pride ourselves in being a very active club, even when our cars are off the road for the winter! Some of the activities we enjoy are the annual installation dinner, Cruise Nights, wine tours, a family picnic, and Tech Nights that enable us all to learn more about our Corvettes. We host WNY's largest all Corvette cruise. We also get together with other area Corvette clubs periodically for joint cruises. In the past, our members have done some long distance cruises like Route 66, Bowling Green to the Corvette factory and museum, and the Thousand Islands.

We offer two types of memberships, Full and Associate, however you must be age 18 or older to join our Club. The Full Membership requires that you attend three meetings and three events prior to becoming a Full Member. You may then vote on Club matters and hold an office or serve as a Board member. The Associate Membership does not have the same requirements; you basically pay the annual dues but have no voting privileges nor can you hold an office or be on the Board. For people who want to belong to a Corvette Club but whose time is limited, this gives you the option of coming to any meetings and events we host. The dues are the same price, \$36 per our chapter year, January to December, per individual. However, if you join in the months of October, November, or December, you will not have to pay a dues renewal until the subsequent December. There is a \$30 initiation fee for new members.

If you are interested in joining, we can email you a complimentary newsletter. After taking a look, we hope you will consider joining us at an event or better yet, stop out and join us at one of our monthly meetings.

Our motto is "Friends, Fun and Fiberglass". We hope you will understand why we chose this motto and will enjoy the Club as much as we do. Please return the attached membership form to the address above. Should you have any questions about the Club or membership, please don't hesitate to contact us via our Post Office Box, or our website wnycorvetteclub.com, or you may call our President, John Drogi at 716-982-5527.
