MAY 2025

## *President's Letter*

Hello Everyone:

It's the end of May and it feels like October. Spring and sunshine are slow to arrive this year. If anyone is like me, we are about a month and a half behind on spring clean-up. I tried beginning of May to get our cars out but the weather continues to be a factor.

We had a great trip to Canada meeting the Canadian Club. It was a well planned activity and day trip. All of their members were very friendly and accommodating. The Canadian Club brought about 50 corvettes. Lou, Bill, and John G. brought their corvettes.

It was great to see our members participate in the second Watkins Glen Festival that celebrated the 72nd Anniversary of the Corvette and the Memorial Day Parade in Lancaster. Thanks to all who attended and represented WNYCC at these events. On June 11 is our 20th All Corvette Show. Fingers crossed for great weather that day and plenty of members to help. Judges are needed for most generations. I have a member signed up to judge the C7 group. Call or email me if you're available. Let's hope for a great turn out that day!

I know we have many activities planned for the summer months. Hope everyone gets to attend and enjoy all that is going on. Our club is VERY active with car cruises/shows, dinners, and other activities. Don't forget to sign up for the picnic on August 16. We had a great time last year. Hopefully our members can enjoy as many activities as possible!

Until Next Time,  
C1-C8 they're all great!!  
President John

## Corvettes & Warbirds: A Memorable Trip to the Hamilton Warplane Museum

Article Submitted by Mark Garvelli; Photos by Mike Creamer & John Drogi

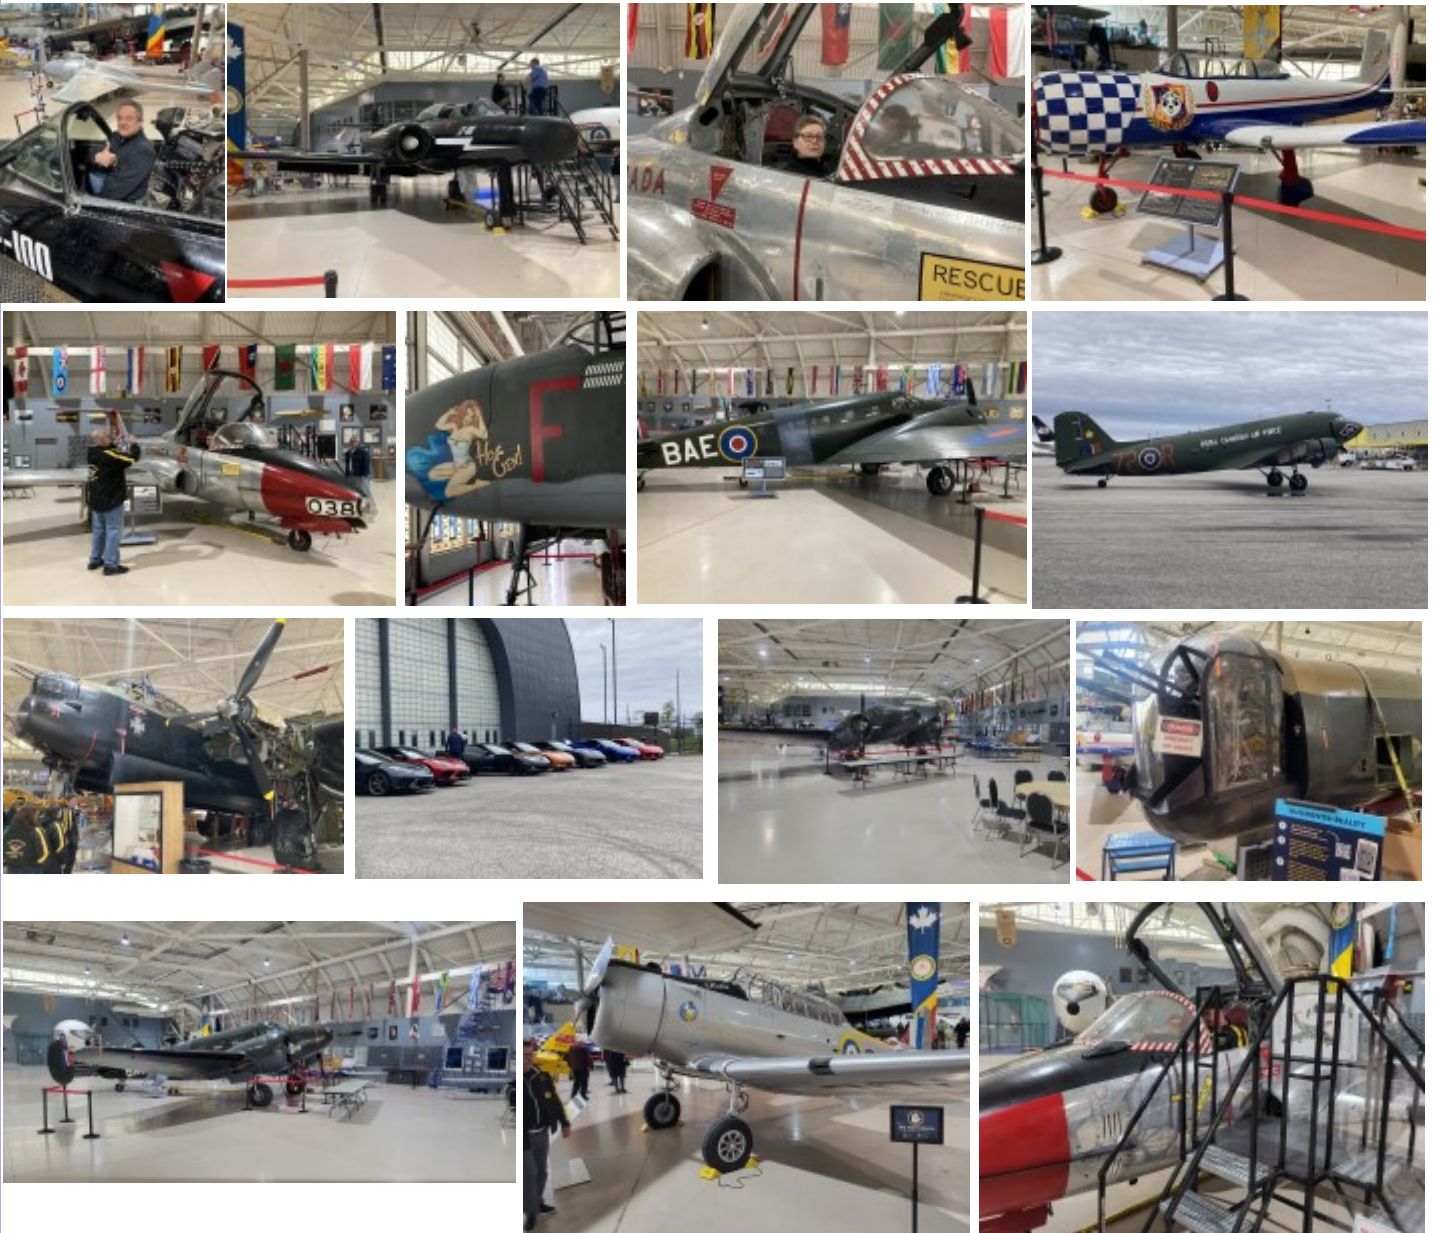

On Sunday, May 4th, members of the WNY Corvette Club teamed up with our friends from the Niagara Corvette Club for a scenic drive to Hamilton, Ontario, where we visited the Canadian Warplane Heritage Museum. Despite the gloomy weather, spirits were high as we rolled up in our Corvettes and were warmly greeted by the museum staff.

The tour was nothing short of fascinating. We explored a remarkable collection of historic aircraft, many of which are still fully operational. One of the highlights was learning about the Avro Lancaster—an iconic WWII bomber. Impressively, the museum is home to the only flying Lancaster in the world, a true piece of living history.

We even had the chance to step inside several of the aircraft for a cockpit view, offering a rare, hands-on glimpse into aviation history. After the tour, we enjoyed a delicious buffet lunch, which was the perfect way to wrap up an already unforgettable experience.

If you've never been to the Hamilton Warplane Museum, it's well worth the trip—an ideal day outing that combines history, camaraderie, and Corvette fun.

## Memorial Day Parade Article and Photos Submitted by Paul Gress

On Monday, May 26, 2025 14 club members (7 cars) participated in the Lancaster Memorial Day parade. It started out quite cold, however by the time the Parade started, it warmed up and the sun was shining. Ed Bosiacki laid a flower on the veteran's monument during the opening ceremonies on behalf of the VFW Post. Lots of candy was thrown to the spectators. After the parade ended everybody was invited back to the VFW Post for complimentary hot dogs, beer and pop.

Respectively submitted,  
Paul Gress

## WATKINS GLEN - CORVETTE FESTIVAL - 72nd ANNIVERSARY OF THE CORVETTE - May 17-19 Photos Submitted by Pete Ricigiano

### **The latest from the National Corvette Museum**

NCM Membership in this museum gives you the historical and incredible story of our Corvettes. Presently, Richard Prince's exhibit is open for viewing. To understand his works, go to:

#### **YOUTUBE: MASTERING CORVETTE PHOTOGRAPHY WITH RICHARD PRINCE: SPEED CAPTURED EXHIBIT PREVIEW**

With the Summer Season shining upon us, this would be a great opportunity to plan a trip to Bowling Green. Perhaps forming a small group together of fellow club members or enthusiasts and traveling in a caravan would be a hoot.

Karen and I cannot stress enough that you are not going to the museum to see a huge building full of Corvettes. Yes, of course, there are quite a few, but each one holds a piece of historical value. The quarterly publication "America's Sports Car" is packed with a cross-section of information, and by and of itself it is worth the price of membership. And for those of you who belong to Blue Star Museum(s), the NCM is proud to be a part of that program.

The historical artifacts and information are in full view and explained in detail. For you first timers, we suggest a guided tour so as not to miss too much. Keep in mind that Zora and his wife Elfi were very passionate about Corvette, so much so that their ashes are entombed at the National Corvette Museum. Little did they, nor Harley Earl, know that Corvette would become the "icon" it is today.

As for Corvette Assembly Plant Tours, they are few and far between. It's best to call ahead and see if they are open for "public" tours.

For those who are adventurous, there's the MSP-Motor Sports Park where you can enjoy their amazing Go-Karts and/or take your Corvette or one of theirs and do a couple of "Lead/Follow" laps.

No road-trip would be complete without a stop in Nashville, an hour further South. It's time to make your trip/reservations.

Don't forget to take plenty of pictures of your experiences/travels.

George and Karen  
NCM Ambassadors
