*President's Letter*

Hello Everyone:  
I hope I conveyed the love and respect of what Maria and Gary meant to our club at last night's meeting. Despite having thought of "the right things to say" the words were still difficult to form as I still can't wrap my mind around this tragedy. I frequently say - this club is what our members make it. Well, last night was a demonstration of our club coming together to remember, grieve, and celebrate the lives of two amazing individuals. I'm so proud to be called the WNYCC President. Our members are more than a club, more than friends, we are a family. Our condolences and prayers go out to both families.

Thank you for welcoming our potential new members who attended the meeting as well. They saw first hand how our club comes together.

Events will continue as scheduled. Sheila and Charlene have resumed their board positions to fill the unexpected vacancies.

Thank you George and Karen Sparks for purchasing a commemorative brick with Gary and Maria's names at the National Corvette Museum. They will provide the brick location when received.

President John

**Special Thank you From Nancy Egan:**

I wanted to thank all the members who generously helped with the clubs Celebration of Lives last meeting. Sara from Grasso Pizza out did herself, thank you! Jim Wier from the post for donating soft drinks, Dom S for coffee, I consider coffee a food group, and to all our amazing bakers! One of the hardest meetings I've ever attended but, could feel the love and respect the members had not only for Gary and Maria, but for each other.
